

Why Workscapes?

Workscapes is a certified woman-owned small business operating for 25 years across Florida. As a turnkey commercial interior solutions partner, Workscapes offers services including space planning, warehousing, and design with products including furniture, modular walls, acoustical products, window shades, and flooring. With an employed team of trained installers, clients enjoy a one-stop shopping experience with our very own GSA contract and many manufacturer/partners to work with under a teaming agreement.
